New Councillor

We would like to welcome Paul Kirby to Burry Green and to the Community Council. Paul describes himself as a ‘Gower Lover’ having holidayed locally for thirty years and leased property at Hillend Llangennith for the last nine years. Moving from Canterbury, Paul has built the new house ‘Orchard Cottage at Burry Green. A Hospital Chaplain, Paul has had strong links with Bethesda Chapel and other Churches in Gower. We are confident that his ‘fresh blood’ will serve the Community and our Council well.

Parish Magazine

As a Council we recognise the value of this Parish Magazine within and beyond our community. We are pleased to support its publication again this year with a grant of £500.

Flowers

We have spent some time thinking and researching possibilities with regard to wild flowers – following the splendid displays on verges and the roundabouts around Swansea. The Gower Commoners Association requested that we plant wild flowers rather than the cottage type flowers planted by Swansea. We then looked for areas that would be relatively livestock free as wild flowers would be inviting food, we identified an area on the corner at Burry Green but the drains there would make the preparation and maintenance difficult and expensive – reluctantly we have decided not to proceed with this suggestion.

Website

We are sorry that our web site has been down recently, We hope that is now available again..
