Roadworks

We had expected some road closures in Llangennith as Swansea CC attended to the repairs that had been previously surveyed. However, it appears that these repairs have already taken place and with minimal disruption, so our thanks go to them for that. They have also repaired two potholes at the Llanmadoc end of Kyfts Lane. If you know of a pothole that has been missed, please report it. Swansea, say that if you let them know of a pothole they will aim to fix it within 48 hours of you reporting it. They will even email you back a before and after photograph of the work done; swansea.gov.uk/potholes.

Grants

The Community Council were pleased to support Llanmadoc Hall toward the purchase of a new projector screen. They were also pleased to hear that the picnic benches for the playground development behind Llangennith Hall had arrived (these were agreed to be purchased last year).

Standing Down

We are saddened to report that Marjorie Subbings and Elizabeth Maliphant have decided not to seek re-election as Councillors after 4th May. Their observations and inputs will be missed. They have both served on the Community Council for many years and have made significant contributions to the Council's work. Our thanks go to both of them for their participation.

Next meeting is at Burry Green on Wednesday 5th April at 7:30pm.

Members of our Community are most welcome to attend
