PC Phil Davies

Phil is hanging up his helmet

The Community Council would like to offer their sincere thanks to Phil for the service he has given to our villages. His quiet authority and sense of humour has been of great benefit to our community. One word of warning to local drivers, the next time the officer driving the police car raises his hand like a stop signal it might be best to do so rather than just waving back!

Burry Green

The Green is becoming very wet and without any stock grazing on it the vegetation seems to be changing. If/when it gets a little drier we will attempt to improve the drainage on the Green. In the meantime, you will have noticed that we have cleared out one of the ponds.

Grit Bins

Presumably winter has now gone but with the recent blast of cold weather it showed that the grit in the bins was of little use without a shovel to get it out, would you have an old coal shovel you could donate to a grit bin near you? We accept that they may go missing but hopefully not.

??????

Have you any ideas as to what we as a Community Council should be doing or any local projects you feel we should get involved in? Please let us know, any of us listed above would be pleased to hear your thoughts or suggestions.

The next meeting is at Llanmadoc Hall on 4th April 2018 at 7.30pm

Members of our Community are most welcome to attend.
