

PARISH MAGAZINE FOR OCTOBER

New Clerk to the Council

First of all the good news is that the Council have appointed a new clerk as below:

My name is Jayne Evans, I live on a farm in Stembridge and I have resided in Gower for the last 35 years. I was a psychiatric and learning disability nurse manager by profession, but I retired 5 years ago, since retiring I have done lots of travelling in the UK, Europe and Asia and have regularly looked after my granddaughter who has now started full time school. I am the clerk to Llanrhidian Lower Community Council and took this opportunity to become clerk to Llangennith, Llanmadoc and Cheriton Community Council as I felt I had both the experience and required skills and I have spare time on my hands (now my granddaughters at school). I am looking forward to the new challenge, although I feel Margaret's shoes will be difficult to fill as she has held the position for so many years and has so much experience. I commence the post on 1st November 2019, you can contact me on my home phone number of 01792 391443.

Resignation

It is with regret that the Council have received Paul Ransome's resignation as a councillor for the Llangennith ward. Paul has served on the Council for many years including several years as Chair. He was also our resident civil engineer who has used his expertise in many projects including the installation of plinth on Llanmadoc Hill. The Council is sorry to see him go.

This does mean that there is a vacancy to be filled so please let the Clerk know if you are interested.

Defibrillators

The Council is considering whether and where to locate further defibrillators in order to give a reasonable spread. In addition to the ones owned by the Community Council there are others on some caravan sites and at other locations, which can be used should the need arise. Please let the Clerk know if you have any ideas so that the Council can draw up a strategy as to future provision.

**Next Council Meeting is at
GORDON ROOM BURRY GREEN AT 7.30 ON
WEDNESDAY 2 OCTOBER 2019**

Do come along and let us know your views on things!
