The Community Council hope all the residents are well and are coping with the lockdown, don't forget to contact any of the above Councillors if you need help with anything.

The Community Council are continuing to meet on a monthly basis, we are using the internet platform ZOOM, if you would like to join us, please send me your e-mail address and I will send you a secure meeting link. We are aware that some members of the community do not use the internet or have a poor signal, I will ensure that the agenda and minutes are placed in the village cabinets to keep everyone up to date. If you have any queries you want discussing at the meeting but are unable to join us on ZOOM, please contact me personally and I will agenda your query for discussion. As soon as we are physically able to, we will begin our meetings again in the village halls but this could be a few months away.

Burry Green now have a WhatsApp group for the village, set up by two of its Community Councillors. This has led to an increased sense of community and is used for help with shopping, exchanging information and chatting.

It was agreed that the Community Council would donate £500 to the PPE project that Gowerton School is supporting '3D Printer NHS/Front Line Face Masks' - They are raising funds to provide equipment and materials for local schools to enable them to use 3D printing in the manufacture of much needed safety equipment for front line workers. The visors will be distributed in Swansea and the surrounding areas. NHS staff will be prioritised to receive the equipment with any surplus supplies distributed to workers in desperate need of the protection.

One of the Councillors has installed an owl box as per the RSPB website, they will keep us informed of any uptake of this box.

Please stay safe and follow the advice and information on the UK Government website (www.GOV.UK), the Welsh Government website (www.gov.Wales) and the NHS website (www.NHS.UK).

We wish everybody well and hope everyone continues to support and look out for each other during these difficult times.
