WOULD YOU LIKE A ROLE IN SUPPORTING YOUR LOCAL COMMUNITY?

Have you thought of becoming a community Councillor?

As a Councillor you will represent the views of local people and make decisions on a variety of issues concerning the community. You will also have the opportunity to contribute occupational or personal skills and expertise.

This is grass roots democracy at its best!

Interested?

If you would like to know more you can speak directly to one of the Councillors or the clerk, (details above) for a friendly chat and more information. Or apply in writing to llangennithcommunitycouncil@gmail.com

New Financial Year:

The Community Council can now take requests for grants, we are keen to promote local activities either by supporting local organisations or individuals or by carrying out arrangements ourselves. To apply, either email the clerk with your request or fill in the grant form attached to the finance page of the website.

Ash dieback:

The Community Councillors wish to thank the contractors for the excellent job they carried out removing the diseased ash trees, this was done with little inconvenience to either villages and the areas were left clear of debris and tidy.

Litter Issues:

The Councillors have suggested that when it is possible, a litter pick be organised for all the villages as there has been a noticeable increase in the amount of litter, especially since the relaxation of Covid-19 restrictions. More information to follow, but any members of the community wanting to be involved with this, please contact us by email.

**Stay safe everyone and please continue to follow Welsh Government guidelines.
Next Council meeting is Wednesday 5th May @ 7.30pm on ZOOM**
