The Council Members wish everyone in the Community a peaceful and joyful Christmas

We have again this year donated £75 each towards the cost of the trees in Llanmadoc and Llangennith, we are sure that the trees are appreciated.

Surgery Concerns with regard to the change in surgery hours at Gower Medical Practice continue; the reply to us from the Practice Manager states that “...*unfortunately in order to maintain the future financial viability of the practice, we are unable to reconsider the changes we have made.*” We suggest that if you are dissatisfied you express an individual or collective concern.

Burry Green A chestnut tree beside the Green has died and will be felled. We are concerned that a track is developing across the Green, vehicles are not permitted to take a short cut across this area, we would be grateful if anyone sees someone doing so, they report the vehicle’s registration to us.

Our Role

As a Community Council we endeavour to represent all members of our community in maintaining and improving the facilities in our area and the environment in which we live. We frequently ask for views or opinions of villagers, often through this magazine but we get a very limited response. Please help us to represent your views and interests about; - planning, speeding, flowers, potholes, footpaths, litter, village signs, etc. by contacting our Clerk or any of the Community Councillors.

Next Meeting Llanmadoc Hall Wednesday 3rd December at 7.30pm
