CHERITON	Maria Brain 07971 250760	Matthew Cowley 07929 245931
CLERK	Dr Margaret Waymark 233607	margaret.waymark@googlemail.com

Councillor Vacancy There is still a vacancy for a Councillor in Llangennith. If you might be interested and want further information please contact our Clerk.

Road Closure In October (exact date as yet unknown) Swansea will undertake a major reinstatement of the stream bank at the Kennexston end of Kyfts lane. This will require a road closure and will obviously cause disruption. Look out for warning notices at this junction.

Grant The Council were pleased to award a grant to Llanmadoc Hall to assist in their purchase of new tables. Please check our Website for the criteria regarding Grant applications.

Wild Flowers Positive comments have been made to us about the wild flowers that are on the verges and roundabouts in Swansea this year. Our Clerk is to investigate if next year, the project might extend to include our community.

SURGERY Concern has been raised over the changes to the opening arrangements for the Gower Medical Practice and how it may affect the service provided and despite the reassurances by the Practice some villagers feel that the service that has been available will be reduced by the changes. Comments were made about the difficulty of getting to Scurlage and how it is more difficult to get to Pennard. Our Clerk was requested to write to the Practice Manager with the concerns and also to write to Mark Drakeford AM, the Health Minister, to express the disquiet over the funding reductions that have caused these changes. If you have a view about the new opening arrangements please let us know.

Burry Green Bus Shelter We have been told that the carpenter for Gowercoast Construction broke his knee so the work at Burry Green has been on stop. They assure us that they will repair the shelter when the work recommences.

Next Meeting Burry Green Vestry 1st October at 7.30 pm
